

I'm not robot!

BooksLD is the blogspot website to sharing a lot of eBooks for bookworms. You can download books that you want to read. The best thing about our website is accomplishing a book request and having separate page at menu bar for receiving your request. We provide direct links for fast and secure downloading. We have shared eBooks in different formats likely PDF, ePub and Mobi formats. Also you can read eBooks online itself without downloading. Download eBooks from us for free without any cost, its totally free. Just click on download button to get a book and subscribe us via email to grab latest shared books.Book Name: The Backbenchers: The Extra Class (The Backbenchers #1)Authors: Sidharth OberoiPages: 135Genre: Romance NovelPublish Date: Jan 1, 2011Language: EnglishFormat: PDF, ePub, MobiPrice: FreeDownload The Backbenchers: The Extra Class by Sidharth Oberoi Book for FreeClick on the download button given below to download eBook in PDF, ePub, Mobi format.PDFePubComment your queries and requests below in the comment box. Fiction Novel Romance Ananya is the new girl in school.Back home in Raip... PLOT: 3/5 CHARACTERS: 3.5/5 WRITING STYLE: 3/5 CLIMAX: 3/5 ENTERTAINMENT QUOTIENT: 3.5/5 The Missed Call is the second in the backbencher series. The first book, The Extra Class, was about Ananya, a girl from the small town of Raipur, and her struggles with her new life in the city of Delhi. Ananya received a cultural shock when she first stepped into her new school – The Presidency School. How she coped up with the stress of a new life and a new school was all that was covered in the first book. In the second book, the focus shifts from Ananya to Natasha, a girl who gave Ananya a very hard time throughout her first year at school. Natasha who once was the heartthrob of Presidency Convent lost all her social standing when she started being mean to the newbie Ananya and in the process of making Ananya’s life miserable, herself committed certain mistakes which she landed up paying very heavily for. Natasha, lost and disheartened, was thus deserted by all and stripped of all her titles at the school. But just as she was getting used to being alone, she is gently and gradually befriended by Shreya, a girl who was once her very good friend in the middle standards. So what will happen to Natasha? Will she ever be able to get her “numero uno” status back? Will Shreya be able to change Natasha’s malicious nature and heart? To know this and much about the diaboical but interesting life of Natasha, do read this exciting book today. As was the case with the last book, in The Missed Call too, the characters rule the day. They are the elements which make the book what it is and provide an almost un-put-down-able allure to it. The plot too is a welcome shift from Ananya and her story, for I am sure the reader will be delighted to read what Natasha’s story has to offer. The plot is also simple and concise and at the same time very fascinating too. The narrations are simple and help the reader float through the pages easily. There is something about the way the author has written it that makes the reader connect with the whole high school drama very easily. The Missed Call: The BackBenchers #2 is an appealing book and thus I recommend it to all fiction readers. That being said, I also want to tell my readers that I simply can’t wait to bite into the third novel of the series. By Sidharth Oberoi. The Backbenchers #1. Grade: B+The Backbenchers is written under a pen name, Sidharth Oberoi, by several writers from the Grapevine India community.The first book of the series (The Extra Class) has been written by Durjoy Datta and Sachin Garg who have written eight bestsellers books between them. It has been a pleasure to see Durjoy and Sachin climb up the ladder. I think if there is one author the Indian teens love as much as Chetan Bhagat, its Durjoy.Add to this, their dimp By Sidharth Oberoi. The Backbenchers #1. Grade: B+The Backbenchers is written under a pen name, Sidharth Oberoi, by several writers from the Grapevine India community.The first book of the series (The Extra Class) has been written by Durjoy Datta and Sachin Garg who have written eight bestsellers books between them. It has been a pleasure to see Durjoy and Sachin climb up the ladder. I think if there is one author the Indian teens love as much as Chetan Bhagat, its Durjoy.Add to this, their dimpled charm and boyish good looks have ensured that Durjoy and Sachin are crowned the “Studs of Srishiti”.No kidding. I have this from a reliable inside source.So, when they quit their respective successful careers to start a publishing house, Grapevine India, I was immediately arrested. Check out the back blurb:Ananya is the new girl in school.Back home in Raipur, she was loved, revered and popular.But the new city has different plans for her. Desperate to get noticed, Ananya takes some big steps.Over the weekend, Ananya is a changed person. Her skirt’s shorter, her shirt’s tighter and her hair falls stylishly over her shoulders. This is not what she wanted, but it wasn’t about what she wanted anymore.Soon she realizes that changing just the outer appearance is not enough. The culture shock is too much for her to take. Will she survive the transition, without losing her integrity?The Extra Class is set against the backdrop of a co-ed school in Delhi. The story begins with Ananya, a small town girl from Raipur. It is her first day at the prissy new school “Presidency Convent”. The school is tailor-made for the Rich People. There are beautiful teachers, the chicks are Daddy’s princesses and the boys are brats. There is Natasha, the school head girl and epitome of the “B” word with an attention seeking attitude. Then there is Yuvraj , the perfect example of “TDDH” (Tall, Dark, Dimpled and Handsome). He is intelligent, smart and Natasha’s love/lust interest.Presidency Convent is the type of school where rules are hardly followed and girls with skirts below their knees are despised. Bit of a cultural shock to our small town girl, you understand. Predictably, Ananya feels like an outcast in the new school and finds herself on the last bench in her new class. With her skirt a few inches below her knee and her hair tied in a pony, she soon earns the tag “small town bitch”. The events that follow basically revolve around the school politics regarding extra curricular activities and how looks matter the most in today’s world.It is the story of every soap opera on MTV and Channel V. Ananya develops a quiet friendship with Yuvraj but when Natasha labels her ugly, Ananya decided to get a makeover. Soon her shirt is tighter, skirt an inch shorter and her hair fashionably chopped. Yuvraj addressed her as “pretty and cute”, and the new Ananya becomes the new “kickass” girl.The rest of the story deals with how Ananya survives the cultural shocks of her new school. Misunderstandings, multi standards, infatuation, hypocrisy, late night conversations, girl-talk, salty facebook status updates and juvenile deliquescence is all that the book deals with in the later half.The masala part of the story is not too much unlike Durjoy’s Deb’Avantika series, but I still highly appreciated it. The best thing about the book is that the story is very relatable and the incidents clearly will remind you of your school life. Presidency Convent portrays what happens in the modern era schools in most parts of the country. School politics, inter school rivalry, bitching, the last bench fun, stolen eye contacts, the feeling of first love, friendship, dejection, misunderstandings and first kisses. The story is perfectly blended with no unneeded whining and is quietly straight to the point.The excitement of going to another school, especially for somebody who’s hailing from an all girls school is fantastically explained. The way life takes a U turn after 10th grade is wonderfully portrayed. The language is quiet simple and the choice of adjectives is pretty good.It was also interesting to see how two grown up guys got into the mind of a teenage girl and pulled it off satisfactorily. Good job on that front.I have a couple of problems with it though. One, I didn’t like the print of the pages, which is quiet irregular and non aligned. There are some errors and typos. Grapevine is new though, so that is understandable. I hope the editing is well taken care of from the next time.Two, as I have mentioned earlier, the plot is quite predictable. I was expecting some interesting twists in the story because it comes from two very talented authors.All in all, the mistakes are quiet avoidable and if you’re looking for some light entertainment, this is the book to read. It will manage to bring a smile over your face and make you relive your school days. A little heavy on the nostalgia and worth spending a few hours with. Go for it!—Review by Ayushee—Originally reviewed at www.vaultofbooks.com ...more The Backbenchers: The Extra Class is a high-school drama about a school girl who finds the transition from a small town to a big city extremely disconcerting. The book is aimed at teenagers and young adults. Summary Of The Book:Ananya is from Raipur, where the pretty and young girl is popular among her friends. However, her life takes an unexpected turn when she is forced to shift to New Delhi with her father. Ananya soon realises that Raipur is literally and metaphorically a long way off from New Delhi. The capital has women with shorter skirts, shorter hair, people with fake and pretentious attitudes, and endless parties. Ananya tries hard to fit in at her posh school in the capital. Her hair and skirt become shorter as she tries to mingle with the hip crowd. Soon she attracts a crowd of admirers, but Ananya falls in love with a guy who already has a girlfriend. As she gets enmeshed in a love triangle, Ananya desperately tries to retain her values, morals, and integrity. Will she succeed? Or will she be lured into becoming a city girl?The Backbenchers: The Extra Class draws a portrait of modern-day life in schools in the big city. The characters in the book and the settings are realistic enough to make readers remember their own school days as well as their own coming-of-age story.
